

The **series MT-HP** hydraulic planetary winches

Standard build with high quality industrial planetary gearbox. Available in many varieties in pulling or lifting applications.

We are able to offer you many options as listed below. Below types are a small and general spectrum of what we can offer in these types of winches. Please inform us your requirement.

Standard features

- High quality industrial planetary gearbox
- Oil filled
- 2-component paint system 150µm RAL 5002

Available options

- Galvanized drum guard €€
- Electric spindle limit switch €€
- Angled planetary gearbox
- Pressure roller
- Various motor options
- Grooved drum
- Wire rope
- Alternative dimensions
- Alternative speed / pulling force

Available control options

- Proportional local or remote control valve

The MT-HP hydraulic planetary winch
A general planetary winch suitable for
many applications
