

The **series MT-HPV** hydraulic planetary winches

The MT-HPV hydraulic planetary winch for applications with limited wire rope capacity and limited build-in space

Standard build with high quality industrial planetary gearbox.
Available in many varieties in pulling or lifting applications. We are able to offer you many options as listed below. Below types are a small and general spectrum of what we can offer in these types of winches. Please inform us your requirement.

Standard features

- High quality industrial planetary gearbox
- Negative multiple disc brake
- Orbit motor
- Oil filled
- 2-component paint system 150µm RAL 5002

Available options

- Galvanized drum guard €€
- Electric spindle limit switch €€
- Various motor options
- Grooved drum
- Pressure roller
- Slack wire switch
- Wire rope
- Alternative dimensions
- Alternative speed / pulling force

Available controls

- Proportional local or remote control valve
