

The series MT-PPI pneumatic planetary winches

Standard build with high quality industrial planetary gearbox. Available in many varieties in pulling or lifting applications. We are able to offer you many options as listed below. Below types are a small and general spectrum of what we can offer in these types of winches. Please inform us your requirement.

Standard features

- High quality industrial planetary gearbox
- Pneumatic motor brake
- Oil filled
- 2-component paint system 150µm RAL 5002

Available options

- Galvanized drum guard €€
- Limit switch €€
- Various motor options
- Grooved drum
- Drum guard
- Pressure roller
- Slack wire switch
- Wire rope
- Alternative dimensions / speeds
- Alternative pulling forces

Available controls

- Proportional local or remote control valve

The MT-PPI pneumatic planetary winch
A plug & play winch suitable for many applications
